# 1500 DELEGATES ATTENDING IN SEARCH OF THEIR DREAM CAREER

Now in its sixth year, Careers in Sport LIVE provides an in-depth analysis of the different careers available in the world of sport, health and fitness as well as information to maintain an active, healthy lifestyle.

The event schedule includes presentations, seminars and masterclasses from industry experts, and professional sport related organisations, along with live demonstrations, hands-on workshops and exhibitors.

# YOUR OPPORTUNITY TO ENGAGE WITH HUNDREDS OF DELEGATES LOOKING FOR JOBS AND TRAINING IN THE SPORT & FITNESS INDUSTRY

Careers in Sport LIVE has become the must attend forum for anyone aspiring to work in the sports, health and leisure industry. They will widen your possibilities, inform you how to make the next step and inspire you to get motivated.

**DR STEVE INGHAM, FORMER DIRECTOR OF SCIENCE AND TECHNICAL DEVELOPMENT, ENGLISH INSTITUTE OF SPORT**

I would thoroughly recommend that any student with an interest in working in the sports industry attends CiS LIVE as it will open their eyes to the vast array of opportunities available to them.

**HEAD OF PE, SHOREHAM ACADEMY**

We exhibited at Careers in Sport LIVE and it was a great day. The event shows the difference industry events by industry professionals can make.

**LIZ HEARMON, MARKETING MANAGER, ANGLIA RUSKIN UNIVERSITY**

We have loved exhibiting and presenting at CiS LIVE. The atmosphere is great and everyone gets involved. We have found it really beneficial to showcase our product.

**SOPHIA STUTCHBURY, CREATIVE DIRECTOR, POWERHOOP UK**

Careers in Sport LIVE was highly informative and I want to express my deepest thanks. The advice I received has helped me become a lot clearer about what my future holds.

**LEVEL 6, SPORT AND EXERCISE SCIENCE STUDENT, CANTERBURY CHRIST CHURCH UNIVERSITY**

I brought a group of students and they were all engaged and started to think about their futures. They enjoyed the flexibility of the day as they could go to any talks that interested them but also could do a wide range of activities before and after. They had a fantastic day and all want to go next year.

**CRAIG FOWLER, PE TEACHER**
